The Belorussian State Institute of National Economy issues V. V. Kuznetsov announces the registration of students in the following departments:

Industrial Economics Departments; Agricultural Economics Department; Planning and Statistics Department, having the following sections: industrial statistics, bookkeeping and economics; Finance Department; and Department of Trade, with the following sections: economics of Soviet trade, science of staple commodities for industrial goods.

Applications will be accepted until 31 July 1949. Entrance examinations will be given 1-20 August 1949. Applications may be addressed to the Institute at 17 ulitsa Myasnikova, Minsk. -- Advertisement

MOSCOW FOREIGN-LANGUAGE INSTITUTE -- Vechernyaya Moskva, No 166, 14 Jul 49

The Moscow State Pedagogical Institute of Foreign Languages announces the admission of students for 2-year courses, for the advancement of translators and interpreters from Russian into English, French, German, Spanish, and Italian.

Persons who have completed foreign-language institutes, western divisions of philological departments of universities and institutes, as well as persons graduated from other institutes, who have excellent knowledge of one of the languages listed, may be admitted to the courses. Persons admitted to the courses are entitled to a stipend.

Entrants will be examined in the principles of Marxism-Leninism (based on the program of a higher educational institution), one foreign language (oral and written), and Russian (oral and written). Applications and documents may be filed until 30 July 1949, daily except Sundays from 1400 to 2000, in Room 110, 38 Metrostroyerskaya ulitsa, Moscow. Entrance examinations will be held from 1 to 20 August 1949. Classes begin 1 September 1949. The Institute does not provide any dormitory facilities. -- Advertisement

IRKUTSK FOREIGN-LANGUAGE INSTITUTE -- Zabaykal'skiy Rabochiy, No 124, 26 Jun 49

The Irkutsk State Pedagogical Institute of Foreign Languages is enrolling students in the first-year course. The institute has three departments -- English, French, and German -- and it offers a 4-year study course. The institute accepts USSR citizens from 17 to 35 years of age who have completed secondary school and who pass examinations in Russian language and literature, history of the peoples of the USSR, geography, and one foreign language chosen by the applicant. Entrance examinations are held from 1 to 20 August and classes begin on 1 September. Those who receive grades of excellent or good in the examinations will be given a stipend. Dormitory quarters are provided for out-of-town students. Apply: Institute of Foreign Languages, 10 ulitsa Lenina, Irkutsk.

The institute announces that it is also registering students in all three departments in the correspondence division. -- Advertisement

CHINA INSTITUTE INCREASES ENROLLMENT -- Zabaykal'skiy Rabochiy, No 128, 2 Jul 49

The Chita Pedagogical and Teachers' Institute is graduating 96 teachers this year and has started recruiting students for the new school year. The institute expects to register 275 students in its regular courses and 400 in the correspondence division. The need for teachers will be greatly increased in view of the government's order to carry out compulsory 7-year schooling in rural localities this year. In 1950, it has been planned to construct a dormitory for 300 students. Almost all students are receiving stipends. The institute is making additions to its teaching staff for the coming year. Fedosov, Candidate in Physical Sciences, will arrive to take over the chair of physics, and eight aspirants, completing their work on their candidate's dissertations, will arrive soon. The TsK VEP(b) has sent an instructor in the fundamentals of Marxism-Leninism.

Zabaykal'skiy Rabochiy, No 130, 5 Jul 49

The Chita State Pedagogical and Teachers' Institute is enrolling students for the 1949 - 1950 school year. The pedagogical institute and the teachers' institute have departments of physicomathematics, Russian language and literature, and history. The pedagogical institute trains secondary school teachers in a 4-year course. The teachers' institute trains teachers for incomplete secondary school in a 2-year course. Applications will be accepted until 1 August. Entrance examinations will be given from 1 to 20 August, and classes begin on 1 September. Applicants who completed secondary school with a gold or silver medal will be exempt from examinations. Dormitory quarters will be provided in case of need. Stipends will be given to those students who pass the entrance exams with grades of excellent or good. Apply: 140 ulitsa Chkalova, Chita. -- Advertisement

CHITA TRADE SCHOOLS GRADUATE 1,200 -- Zabaykal'skiy Kraeviy, No 135, 10 Jul 49

More than 1,200 skilled workers will complete the 5-year courses from nine trade schools in Chita Oblast this year.

CHITA SCHOOLS CALLED UNSATISFACTORY -- Zabaykal'skiy Kraeviy, No 135, 10 Jul 49

The schools in the city of Chita have not had a successful year in regard to the quality of its students and instruction. Every fifth student failed and will either repeat the year's work or take examinations in the fall. The most important remedy for this situation is to improve the quality of the teachers, some of whom have not had the necessary training.

OVER 1,535,000 BELORUSSIAN CHILDREN TO ATTEND SCHOOL -- Sovetskaya Belorussiya, No 140, 16 Jul 49

There will be 11,789 secondary, 7-year, and elementary schools in operation in the Belorussian SSR this year. More than 1,535,000 children will attend these schools.
